Who should attend

This training course is aimed at executives and managerial staff who are in the early stages of their careers and those who do not have specialist insurance and claims experience. It is designed for executives new to the industry but it is also suitable for those who wish to broaden or refresh their knowledge.

Comments from past delegates

“The course gave me a good knowledge of the background concerning transport law & insurance”

“An excellently organised training course”

“The planning and organisation of the course was outstanding”

“Excellent. I hope other colleagues within the industry will have the chance to participate at future courses.”
