[●] 2020

Dear Sirs

**The United Kingdom Mutual Steam Ship Assurance Association (Europe) Limited  
(‘UKE’) – Transfer of Insurance Business**

Further to our letters to you in September and November 2020, we are writing to notify you, in your capacity as a holder of a policy which (i) relates to any vessel the flag state of which at any time during a policy year is noted in such policy as being Slovenia or (ii) relates solely to charterers’ (other than demise or bareboat charterers’) risks where the establishment of the charterer is situated in Slovenia (‘**Slovenian Policy**’), of a change to the terms of the Scheme which affects your policy.

In order for a Slovenian Policy to transfer to UK P&I Club NV (‘**UKNV**’), UKNV is first required to obtain from the Slovenian Insurance Supervision Agency (‘**ISA**’) the requisite authorisation to conduct, on a freedom of services basis, non-compulsory insurance business in non-life insurance class 12 in Slovenia (the ‘**Authorisation**’).

Accordingly, the Scheme is being amended to the effect that the Slovenian Policies will transfer to UKNV on the later of (i) 31 December 2020 (if the Authorisation is obtained before 12pm GMT on 31 December 2020) or (ii) the date on which UKNV obtains Authorisation (if the Authorisation was obtained after 12pm GMT on 31 December 2020).

Until the Slovenian Policies automatically transfer to UKNV, all Slovenian Policies will remain with UKE and UKE will, by participating in the run-off regime to be introduced in Slovenia in response to Brexit, continue to service the Slovenian Policies. The holders of Slovenian Policies will continue to receive the same service as they currently receive.

We will notify you promptly in writing following such transfer taking effect.
