

## **Addendum relating to Offshore/Specialist Operations**

Additional covers relating to offshore specialist operations and related risks (referred to in Rule 4, Section 2) may be provided where contractually agreed, as set out in the following sections:

- Salvors Extension Cover
- Offshore Specialist Operations
- Offshore Underwater Operations
- Offshore Supply/Towing and Others

The terms and conditions which the Managers will normally require are set out in a separate document – Offshore/Specialist Operations Additional Covers (relating to the Rules) – available from the Managers.
