Bulletin 1095 - 04/16 – Custom Fines for Cargo Shortages and Overlanding – Turkey

The Association would like to provide Members with the latest advice relating to customs fines for cargo shortages and overlanding in Turkey.

Metropole have released a circular on the subject in response to an increase in the number of cases where the Turkish Custom Authority has imposed a fine, particularly in relation to cargo shortages at Turkish ports.

Members can read the full circular [here](#).
