Bulletin 1155 - 08/18 - Claims involving Fish Farms in China 2017

UK Club Correspondents Huatai have confirmed 71 Allision incidents involving Chinese fish farms and ships entered with International Group Clubs in 2017. Lanshan recorded the vast majority of these incidents. See "Table 1" below.

Members are strongly advised to seek latest information on fish farm activity from their port agents when visiting Chinese Ports.

Huatai have kindly provided a comprehensive update and report on the situation, available [here](#).
