

Appendix II: Offshore/Specialist Operations

Additional covers relating to offshore specialist operations and related risks (referred to in Rule 4, Section 1) may be provided where contractually agreed, as set out in the following sections:

- Salvors Extension Cover
- Offshore Specialist Operations
- Offshore Underwater Operations
- Offshore Supply/Towing and Others

The terms and conditions which the Managers will normally require are set out in a separate document – Offshore/Specialist Operations Additional Covers (Rules) – available from the Managers.
